

*Your Home Store*  
**A. L. THOMPSON'S**

## WELCOME BACK

We have been preparing for our reopening since we closed in March and have implemented many changes within the George Town and the Savannah stores while you have been gone.

When you visit our stores on your alphabet shopping day, you will need to be wearing a mask that covers your nose and mouth before entering, per government mandates. You must sanitize your hands using the touchless dispenser provided. Upon entering, you will see that we are also sanitizing our hands, shopping carts, cashier stations, credit and debit card machines, other commonly used surfaces, and high-traffic areas. All our staff will wear masks or face guards and maintain a social distance of at least six feet from everyone in the store. When you are ready to checkout, you will see decals on the floor as markers to ensure the mandated distance as well as acrylic shields between the cashiers and you.

If necessary due to high customer traffic volume, we will limit the number of customers permitted in the store at one time, and we ask that you continue to maintain the acceptable social distance while waiting to enter. We will invite elderly, disabled, and pregnant customers to the front of the line.

Effective from 1 June 2020, our shopping hours are 7:00 A.M. through 6:00 P.M. Mondays through Saturdays. As always, we will be closed Sundays and Public Holidays. To shop outside those hours, we invite you to use the [Shop Online](#) catalog on our website, which is always open for business. The hours for our store in Countryside Shopping Village, Savannah, are 8:00 A.M. through 6:00 P.M.

We are anxious to see you again and to welcome you back to A. L. Thompson's, George Town and Savannah.
