Home Fest

A WELCOME FROM THE THOMPSON FAMILY

Dear Friends,

Since its inception in 2010, Home Fest has continued to grow into one of Cayman's most anticipated annual events. Last year, more than 120 overseas vendors joined us to showcase and demonstrate their products, share professional advice, and connect with contractors, designers, decorators, restaurateurs, homeowners, and DIY enthusiasts eager to discover the latest products and innovations.

None of this would be possible without the tremendous support of the Cayman community. On behalf of the entire A. L. Thompson's family, we would like to sincerely thank you for continuing to make Home Fest such a special occasion year after year.

As you explore the many great deals available throughout the store, we encourage you to meet our visiting brand representatives, ask questions, see the latest products in action, and take advantage of their knowledge and expertise.

We hope you enjoy everything Home Fest has to offer, and we look forward to welcoming you and your family.

Warmest regards,

Melissa Thompson
